

Sensors, Microcontrollers and Actuators

Sensor overview

Actuator overview

Wireless/Wired

Actuators (1)

DC / AC motor

Movement/rotation

Solenoids

Displacement

Servomotor

Rotation, displacement

Stepper-motor

Rotation, position,
displacement

Relay

Voltage controlled
switch

Actuators (2)

Speaker

Movement / sound

Led's / lights

Light

heavy duty light

light

Piezo

Sound

Electromagnets

Magnetic field
